Aaron I update:
  - Last week – collected sample and these have been sent to the lab and will be receiving those results end of this or beginning of next.

- This week: Meeting with resident to download data from the alarm detectors (some of those residents have an attorney – Wayne Boyd advised just to download the data only when it comes to those residents. With this data, Aaron will create a spreadsheet with the findings.

Tina is not on the call today to give a PR Update.
